- Annual memberships run from September – August
September 30 membership deadline

- 51 colleges in coalition (if each institution renews)

The Hope Center is working to compile a list of basic needs conversations, equity practices in financial aid, and other resources for members. Byron Clift Breland and Diana Rodriguez selected to meet with Paula on a regular basis to get updates on the memberships. The committee discussed marketing of the coalition – as well as highlighting the work of CEOs and colleges via a regular newsletter – as being a goal for the upcoming year.

#RealCollegeCalifornia Virtual Conference – December 4, 2020

The committee selected Martha Garcia and JoAnna Schilling as the #RealCollegeCalifornia conference co-chairs. The committee selected the following individuals to serve on the conference planning committee:

- Martha Garcia
- JoAnna Schilling
- Matt Wetstein
- Jim Limbaugh
- Dorothy Battenfeld
- Tammeil Gilkerson

Due to the virtual conference format, there will be no “host college” for the conference. The League will host the event via Zoom. Keith Curry volunteered to work with sponsors for the conference. The planning committee will meet to discuss conference logistics (program schedule, registration fee, member discount, marketing, etc.) and will report back. The committee determined that the length of the conference as well as “coaches” to support breakout room discussions will be priority topics to discuss at the next planning meeting.

2020-2021 Meeting Dates

The committee agreed to meet every other month. Future meeting dates will need to be determined via email.

Slack

The committee identified Slack as another means of communication (to limit the amount of Zoom meetings). The following Slack channels were created for the taskforce:

- #affordability-solutions
- #basicneeds-taskforce
- #conference-plan
- #food-insecurity
