1. October 15-19 is #UndocumentedStudentActionWeek. This week community colleges across California call on Congress to pass a permanent solution to #DACA with a pathway to citizenship. #CCCforDACA
2. This can't wait! All week long, and until a permanent solution to #DACA is provided, we are advocating for our Dreamers. Tell Congress to take immediate action. #CCCforDACA #UndocumentedStudentActionWeek
3. California's community colleges serve Dreamers. It is critical that we support our Dreamers, and work with Congress to find a solution that preserves the rights of all students to pursue higher education. #CCCforDACA #UndocumentedStudentActionWeek
4. California is home to thousands of DACA recipients and many undocumented students attend a California community college. It is important we support ALL student populations. Urge your Congressional member to pass a permanent solution to DACA. #UndocumentedStudentActionWeek
5. The CATO Institute found that if #DACA is eliminated, the U.S. economy could shrink by \$215 billion over the next 10 years. The same study found that the federal government could lose \$60 billion in foregone income taxes. The stakes are too high to not support a permanent solution to the DACA program. #CCCforDACA #UndocumentedStudentActionWeek
