

Pension Rate Stabilization Program

A Comprehensive Prefunding Solution to Address Rising STRS/PERS Costs

PARS (Public Agency Retirement Services), in partnership with Community College League of California, is proud to offer the Pension Rate Stabilization Program (PRSP), a first-of-its-kind, IRS-approved, IRC Section 115 irrevocable trust program designed to help community college districts manage ongoing pension obligations.

Why Prefund Pension Obligations with the PARS PRSP?

Stabilize Costs

Access funds to reimburse your District for pension-related expenses to help offset rising STRS/PERS contribution rates

Local Control

District maintains autonomy over assets, contributions, disbursements, timing and investment risk tolerance

Protection

Funds in the trust are securely set-aside and protected from diversion for uses other than pension

Diversified Investing

Assets in an exclusive benefit trust can be diversely invested and may achieve greater returns than your general fund/treasury pool

Rainy Day Fund

Emergency source of funds when employer revenues are strained in difficult budgetary or economic times

Long-Term Planning

Prudent solution for managing ongoing pension liabilities on financial statements due to GASB 68

STRS/PERS Rate Increases through 2025-26
