## **Leading California's Equitable Recovery**

**2022-23 System Budget Proposal**

September 2021

# Base Funding Increases \$500 million ongoing

- Historically, the CCC has been significantly underfunded, representing not just the lowest funded segment of higher education in California, on a per-student basis, but funded even less than K-12 education.
  - Per-student funding at a level between K-12 and CSU would result in an additional \$5 billion for community colleges.
- 

# Deferred Maintenance & Instructional Equipment \$150 million one-time

- This year's one-time augmentation of \$511 million was a substantial boost in addressing the approximately \$1.1 billion in deferred maintenance backlog.
  - Absent additional federal funds, a \$150 million request for one-time funding is vital to closing existing gaps between traditional funding levels and campus needs.
  - The need to maintain and upgrade our facilities and equipment, particularly as students return to the physical campus space, is paramount to both campus operations and student success.
- 

# Pension Relief

## Ongoing funding

- Colleges face significant CalPERS contribution increases each year. As the CalSTRS and CalPERS contribution rates continue to rise, districts are forced to forego spending on student services, infrastructure, faculty, and program improvements.
  - For 2022-23, a request for ongoing allocation to exclusively assist in the funding of annual increases to CalPERS and CalSTRS retirement contributions.
- 

# Legislative Update

**Location:** Governor's Desk

# Academic Affairs: AB 928 (Berman) Transfer

## AB 928 (Berman) Transfer

Introduced in order to smooth out the ADT approval, adoption, and utilization process, this bill would:

- Create a committee charged for making recommendations to the legislature on ways to improve the transfer process.
- The proposed committee would be made up of the following:
  - Three representatives from each of the system offices of the UC/CSU/CCC.
  - Three representatives from each of the Academic Senates of the UC/CSU/CCC.
  - Three representatives from each of the student body organizations of the UC/CSU/CCC.
  - One member from the California Intersegmental Articulation Council.
  - Three members of the public, one each appointed by the Governor and state legislature.
- Require the UC and CSU to adopt one unified transfer pathway.
- Require community college students to be automatically enrolled in an ADT program. Those who intend to transfer to the UC or prefer a traditional AA would need to opt out.
- Flexes guided pathway dollars to provide funding to implement the measure.
